

# Poster Presentation Area

- Area per single poster presentation is 1200mm width by 1160mm height. (practical size 1000mm width by 1160mm height)
- The presentation number will be posted with A4 paper (210mm by 297mm) on the top-left corner.
- Borders between the posters are shown with tapes.
- A table will be placed in front of the poster.
- Thumbtacks will be provided at the venue.
- Use of English in a poster is strongly recommended, but Japanese is also accepted.
- Figures, graphs, and tables should be written in English.
- The author can put posters up from 9AM.
- Please remove posters by 5:30PM, or the committee will remove them (the posters will not be returned to the author in that case).
- Electrical power up to 100 watts is provided for electrical devices such as notebook PCs.
- Sound playback is allowed with playback level below 60dBA at 1 meter from the sound source and not extremely dense. The committee will not provide a playback system.
- **The core time is separated by odd and even number of the presentation number. Authors are asked to be at the poster during the time. Please reconfirm the number with the convention program.**
